Heartshaped Waffle maker HW 1225

The HW1225 is a compact waffle maker for heartshaped waffles with fix plates in massive die cast aluminium. For a small price, you still have everything you must have: non-stick coating, Cool Touch handles, adjustable thermostat and baking plates in massive die cast aluminium for optimal temperature. The appliance has hooks at the bottom for easy cable storage.

FRITEL, Tastefully Created !

- 1200 Watt
- 20,5 x 25,5 x 9 cm
- 1,4 kg
- Ø 20 cm

Unique product advantages

- Compact waffle maker
