## Ice Cream Maker IM 1252

The Ice Cream Maker IM is the perfect addition to the kitchen of any amateur chef. After all, the best ice cream is the one you make yourself. Whether you like a creamy vanilla ice cream, a sweet sorbet or a savoury ice cream snack, with this ice cream maker you can quickly and easily prepare the most delicious dessert, afternoon snack or intermediate dish. This high-quality appliance is easy and quick to use, has a removable 2 liter freezing bowl and its simple stainless steel design fits in almost any interior. Moreover, you can add extra ingredients through the practical fill opening at the top, even while the ice cream is already churning. What do you think of chocolate flakes, raisins or nuts?

**Fritel, Tastefully Created!**
