

Deep Fryer

Profi 3355

The FRITEL Profi 3355 is ideal for small professionals or for the consumer who likes to put something special in his kitchen. As a professional you expect solid and reliable appliances ! Thanks to the unique Covering System this appliance is even easier to clean than all other FRITEL deep fryers. And also with this fryer you fry faster, healthier, greener and of course safer thanks to the unique patented heating element.

Fritel, Tastefully Created!

Unique product advantages

- Professional deep fryer
- Front in brushed stainless steel
- The ultimate secret of real Belgian fries = patented double heating element
 - Up to 50% faster frying
 - More crispy and less greasy fries, therefore healthier
 - Faster, therefore energy-saving
 - Solid fat can be used thanks to the solid fat melting position
- With Covering System®
 - For easy cleaning of the control panel
 - Keeps the vertical part of the heating element clean
- SAFE: triple safety against overheating
- Anti-dust lid in brushed stainless steel
- Housing in brushed stainless steel
