Soup Maker SB 3190

Fresh soup every day! Piece of cake with the Fritel Soup Maker SB 3190. Some sliced vegetables, a bouillon cube, water and we're off. 20 minutes later a deliciously hot soup is ready. Another possibility is using leftovers from vegetables, potatoes or rice to prepare a tasteful soup for the next day. The foldable handle is unique and makes for a space saving storage. And then there's the display which shows the minutes left for your soup to be cooked.
