## Turbo SF® 4178

The trendy deep fryer with retro design, the FRITEL Turbo SF® 4180, combines all advantages and comfort of a cool zone deep fryer with all the advantages of an automatic filter lid. Thanks to the COOL WALL cover this is the ideal deep fryer for young families with inquisitive children's hands.

This FRITEL deep fryer is equipped with a double heating element which allows you to fry up to 50% faster. The fries are seared faster, therefore more crispy, less greasy and healthier. This is the ultimate secret of the real Belgian fries! Unique and patented, only from FRITEL! A nice extra is the special position for melting solid fat.

**Fritel, Tastefully Created !**
